Our Team

Everyone says it, but in our case it's true: Our team is the secret to our success. Each of our employees is amazing in their own right, but together they are what makes Lyawere Company such a fun and rewarding place to work. The team is a tight-knit, talented group with a shared vision of delivering consistently great results for our clients, as well as ensuring the agency is a fun, inclusive, challenging place to work and develop a rewarding career.

We're very proud of the team we've built. Lyawere Company has always been a company defined by bringing together talented people with a shared vision and passion for helping us to be the best we can be for our clients. All of our employees are unique individuals who are united by a set of five core values that apply to everything we do within the agency.

A woman with dark curly hair, wearing a black polo shirt, is smiling and interacting with a group of children. She is holding a light blue soccer ball with orange and red patterns. The children are also smiling and looking at the ball. The background is slightly blurred, showing an outdoor setting with greenery.

CORPORATE CSR

Our humble beginnings have given us first-hand experience and understanding on the challenges and barriers faced by young people born into disadvantage. This has made it our mission to help bring equality and equity in our communities by financially supporting organisations in Tanzania, working in education, doing youth work, and care-taking for orphans and disabled children.

In addition to funding, we volunteer in support of education, arts, and social service. We proactively search for opportunities where funding and our time can make a difference, and continuously strive to ensure the ongoing well-being and growth of our communities. Our work is made meaningful through engagement in these impactful projects and services.
